

## Lund and Surrounding Area

Lund / ɫaʔamen is rich in community, culture, and recreational activities. Located on the traditional territories of the Tla'amin, Homalco, and Klahoose Nations, nestled on the Malaspina Peninsula of the Northern Sunshine Coast, this region lures adventurers to explore the Sunshine Coast Trail, Copeland Islands, Okeover Inlet, Desolation Sound, and Savary Island.

This rural and remote area also poses unique risks to residents and visitors. As a gateway to recreation, the influx of visitors means everyone **must drive and park vehicles responsibly** to ensure emergency vehicles and responders have unrestricted access.

Most emergencies are small in scale, but some have the **potential to escalate quickly** such as a **wildfire** which could impact everyone's safety in the area. It is crucial that **everyone understands the risk** and does their part to prevent fires.

The dedicated members of the Northside Volunteer Fire Department will respond to emergencies, fires and as medical first responders. The closest hospital, ambulance service and RCMP, which provide regional services, are located in the City of Powell River.

### Know the Risks.

Risks will vary throughout the region. Different safety measures will need to be taken for your home depending on the risks relevant to your area. Remember to think about all the different locations where you may be when considering risks. This could include home, work, school, driving or engaging in recreational activities.

Wildfire

Severe Weather

Earthquake

Tsunami

## COMMUNITY EVACUATION GUIDE

- PREPARE NOW
- KNOW WHAT TO DO
- KEEP INFORMED

qathet REGIONAL DISTRICT

## Be Ready for an Emergency.

Everyone's Preparedness is Essential.

### In an Emergency Dial 911

Northside Volunteer Fire Department

8540 Plummer Creek Road, Lund BC  
604 485-2260

### ACKNOWLEDGEMENT

The Regional Emergency Program credits the Lund and surrounding community and the Northside Volunteer Fire Department for their support in the development of this guide. In the event of an emergency, all residents and organizations are critical public safety partners including individuals, frontline responders, businesses, volunteer groups and governments.

Find further information on the qathet Regional Emergency Program at **604 485-2260** or **emergency@qathet.ca**

### Make Your Plan.

Work together with family, neighbours, and friends to make your home emergency plan specific for your home's location and local risks. Plan your method of transportation and two routes to a safe location using the evacuation map. Build a support network by coordinating plans with friends or family outside your immediate neighbourhood for possible lodging and family reunification, offering the same in return.

Preparedbc.ca has resources to help you prepare your own Home Emergency Plan.

### Prepare a Grab-and-Go Bag.

#### List of items to take at the last minute:

- Wallet with identification, credit cards and cash
- House and vehicle keys
- Mobile phone and charger
- Glasses and contact lenses
- Medications, toiletries and personal hygiene items
- Mobility and medical devices (with written instructions)

#### Items to put in your evacuation grab-and-go bag:

- A supply of non-perishable food, snacks and bottled water for each person in your household
- A copy of your emergency plan, including contact numbers and reunification plan
- Copies of important documents (prescription records, birth certificates, passports, insurance and bank records)
- Change of clothing including warm layers and a blanket
- First aid kit, radio and basic tools
- Crank or battery-operated flashlight(s) or candles with matches
- For Children:** diapers and wipes, clothing, snacks, activities and comfort items
- For Pets:** food, collar with ID tag, leash or carrier, blanket, and toy.

## Know What to Do.

- You and your family should be prepared to be self-sufficient for at least seven (7) days after an emergency.
- Know your hazards, make a plan, get prepared, and keep informed.

### DURING an Evacuation

- Evacuation notification may be delivered by door-to-door notice, Community Notification System, social media, emergency vehicle sirens or local radio broadcasts
- Follow instructions and advice of notifications and emergency responders to locate evacuation routes and safe locations within the timeframe specified
- Notify emergency responders if you or anyone in your household requires mobility assistance
- Prepare your home: Turn off and unplug all appliances. Lock up your home. If you have been instructed to do so, turn off all utilities at the main switches or valves including propane and water
- Take your grab-and-go bag and last minute items
- Take your pets and pet evacuation kit
- Refrain from using your phone except in case of an emergency. Leave the network open for emergency personnel use

### AFTER an Evacuation

- Register as an evacuee. Registration instructions will be announced in the evacuation notification including how to access supports
- Stay connected and informed of current evacuation situation and when it is safe to return
- Upon your return, inspect your home cautiously and check for damage and hazards
- Call your insurance company: Document damage with photos and written notes, keep records of clean up and repair costs, as well as, hotels, meals, and travel expenses
- Clean your home as recommended by health officials

## LUND AND SURROUNDING AREA

*This map is for reference only - Evacuation route and direction will depend on location, size and type of emergency situation.*

### MAP LEGEND

- Community Facility - Northside Community Recreation Centre
- Evacuation Supply Container
- Fire Department
- Boat Ramp
- Dock or Government Wharf
- Primary Evacuation Route
- Secondary Evacuation Route

## Keep Informed.

## Community Notification System

The Community Notification System can deliver critical, lifesaving notifications about an emergency by phone, email or text.

Scan this code or register today at [qathet.ca](http://qathet.ca)

Know the **THREE KINDS** of Notices:

**EVACUATION ALERT** tells you to prepare for an evacuation and be ready to leave on short notice.

**EVACUATION ORDER** tells you to evacuate immediately. This may happen in circumstances where there is little or no time to notify, or following an Evacuation Alert.

**SHELTER IN PLACE** tells you to take immediate shelter and stay in the home or building where you are.
