Question 1: Is a bid bond and/or agreement to bond required for this tender and also if a Labour and Material and Performance bond is required once awarded the project and at what percentage.

Answer 1: There are no bonding requirements for this tender, neither a bid bond nor a performance bond is required.

The statement: ***Bonding and Insurance coverage(s) for the amount(s) identified in the Contract Documents*** is a standard clause in our tenders but as no bonding is required no amount is required.
