

THE qRD TAX SYSTEM

Every individual service provided by the qathet Regional District (qRD) has a separate identifiable budget outlining the revenues and total costs for providing that service.

Revenues and costs cannot be shifted to other services, and no service is permitted to budget an operating deficit. Each service has its own group of participating areas (Electoral Areas & municipalities) and only those participants pay for the service. The main revenue source for qRD services is property value tax (i.e., taxes based on the assessed value of properties). Parcel taxes (i.e., flat rates for each lot in the service area) and fees are other sources of revenue for a few services.

Regional services are paid for by taxpayers throughout the entire region with the exception of Electoral Area E (Lasqueti Island) which does not pay for the Cemeteries Service, Regional Animal Shelter, or 911. Electoral Areas D (Texada Island) and E do not pay for the Heritage Service.

Sub-regional services are typically paid for by Electoral Areas A through D, although in a few cases Electoral Area E also contributes.

Individual-area and part-area services are paid for by only the Electoral Area(s) or property owners benefiting from the services.

The following table shows the estimated residential tax rates per \$100,000 of assessed value, calculated on the financial plan bylaw adopted on March 25, 2026 and the 2026 completed assessment roll. The actual tax rates will be based on the 2026 revised assessment roll plus the first supplement. The provincial tax collection fee of 5.25 percent is not included in the estimate. Actual taxes may vary slightly from the rates shown.

ELECTORAL AREA D

Following are the residential taxes per \$100,000 of assessed value for the years 2025 and 2026.

	2025	2026
Regional Services		
General Administration	30.36	32.39
Grants-in-Aid - General	1.08	1.10
Regional Parks	10.40	10.83
Emergency Telephone - 911 *	2.92	3.16
Cemeteries *	2.65	2.81
Regional Animal Shelter *	1.18	1.17
Waste Management	37.60	24.85
Regional Emergency Preparedness	3.07	3.06
Subtotal Regional Services	89.25	79.38
Sub-Regional Services		
EA Administration	4.15	4.39
EA Feasibility Studies	0.57	0.55
Planning *	10.26	9.80
Development Services *	1.68	2.02
Para-transit *	4.55	5.26
House Numbering *	0.38	0.79
Powell River Library *	11.77	12.03
Septage Disposal *	1.00	0.96
Economic Development *	(0.07)	0.01
Social Planning	(0.58)	0.04
Subtotal Sub-Regional Services	33.71	35.84
Individual Area Services		
Grants-in-Aid - Individual Areas	4.85	1.60
Emergency Program Area D	2.57	2.55
Texada Health Centre	17.50	18.09
Texada Recreation Commission	23.38	30.23
Texada Airport	22.44	23.06
Texada Marine (Van Anda Dock)	12.15	12.27
Texada Heritage	4.90	4.91
Subtotal Local Services	87.79	92.71
Area Wide Total	210.76	207.93

* indicates services to which Electoral Area E (Lasqueti Island) does not contribute.

2026 BUDGET HIGHLIGHTS

The 2026 budget covers the regular day-to-day operations of the 46 local government services provided annually in individual Electoral Areas and across the qathet Regional District.

Below are key initiatives being instituted in 2026 to maintain some of these services. The cost of these initiatives will be borne by the taxpayers and users benefitting from these projects.

Regional Services

• Waste Management

- Lund Recycling Depot building
- Texada metal transfer station
- Interchange used oil recycling program

• Regional Parks

Kla-ah-Men Lund Gazebo Park

- Washroom building and sewer upgrades
- EV charging station

Shelter Point

- Replace footbridge
- EV charging station

Craig Park

- Cookhouse

• Cemeteries

- Installation of new columbaria section

Electoral Area Services

Northside Fire Protection – Hall #2

- Water tanks
- Apron extension

Malaspina Fire Protection – Hall #1

- Water tank
- Septic system upgrades

Lasqueti Island Fire Protection

- Replacement of fire engine

Myrtle Pond Water

- Intallation of new well

ABOUT THE qathet REGIONAL DISTRICT

The qathet Regional District (qRD) stretches from Jervis Inlet to Toba Inlet and includes the City of Powell River and five Electoral Areas.

Area A Extends north from city boundary and includes Lund, Savary Island, and Hernando Island.

Area B Extends south from city boundary and includes Nootka, Covey and Tanner Streets, Paradise Valley, and properties along Highway 101 up to Whalen Road (west side).

Area C Extends from Whalen Road (east side) to Jervis Inlet including Black Point, Kelly Creek, Lang Bay, Stillwater, and Saltery Bay.

Area D Texada Island.

Area E Lasqueti Island.

(Boundaries exclude Tla'amin Nation lands).

qathet REGIONAL HOSPITAL DISTRICT

Regional Hospital Districts (RHDs) were established throughout the province as a means of financing a local contribution to the costs of constructing or renovating major health care facilities, such as acute care hospitals. With a few exceptions, RHD boundaries are the same as regional district boundaries.

RHDs originally financed a 40 percent share of the costs of construction and renovations, and the province financed 60 percent. Subsequent legislative changes allow for different cost-sharing formulas, i.e., RHDs may pay more or less than 40 percent, and there is a broadened scope of projects that RHDs may help to finance.

The qathet Regional Hospital District (qRHD) does not operate the qathet General Hospital but acts to fund debt payments of the Willingdon Creek Village Complex Care Facility. The qRHD owns the facility and leases it to Vancouver Coastal Health, and it is operated by the Vancouver Coastal Health Authority.

The Regional Hospital Board is composed of the same members as the qRD's Regional Board as well as one representative from Tla'amin Nation.

2026 PROPERTY ASSESSMENTS

The BC Assessment Authority classifies all properties according to one of eight Property Tax Classes:

- Residential (includes non-zoned vacant land)
- Utilities

- Major Industry
- Light Industry
- Business/Other
- Managed Forest
- Recreation/Non-Profit
- Farm

The Utilities, Industry, Business, and Managed Forest classes are taxed at higher rates than other classes, thus relieving the residential tax burden. For regional districts, the tax ratios among the different classes are set by the province. Municipalities, which include cities, can set their own ratios.

Total: Assessed values for the qRD as a whole increased by 2.75 percent over 2025.

Residential: Class assessed values increased by 2.4 percent overall. The greatest residential increases decreases were seen in Electoral Area E with a 12.2% increase and in Electoral Area D with a 1.4% decrease.

Light Industry: Class assessed values increased by 4.1 percent across the region. Electoral Area A saw the greatest increase at 32.6 percent, and Electoral Area C saw an increase of 23.4 percent in the light industry class.

Business/Other: Class assessed values increased by 19.3 percent across the region. Electoral Area B saw the greatest increase at 20.5 percent, Electoral Area C saw an increase at 13.9 percent, and Electoral Area A saw an increase of 9.0 percent in the business/other class.

Utilities: Class assessed values increased by 35.2 percent overall. The greatest increase to the utilities assessments was in Electoral Area C at 352.9 percent followed by the City of Powell River with an increase of 250.8 percent and Electoral Area B with a 156.6 percent increase.

UNDERSTANDING YOUR TAX NOTICE

You have just received your 2026 tax notice from the Province. The Province collects taxes for schools, roads, policing, and regional district services. The qathet Regional District (qRD) receives a lump sum payment from the Province in August of each year for the qRD

service portion. The following will explain each line on your property tax notice.

Provincial School Tax: The Province collects this tax for education services and school facilities.

Provincial Rural Tax and Police Tax: This provincial tax is for rural road maintenance and police protection services.

BC Assessment Authority: BC Assessment Authority is a Crown corporation that sets all property assessment values in the province. Its costs are recovered by this tax.

Municipal Finance Authority: The Municipal Finance Authority coordinates money borrowing for all local governments in the province.

Local Services Area A: This is your Electoral Area tax for services provided by the qRD. The qRD provides common services to residents of the entire region (City and Electoral Areas) and some services which are specific only to the Electoral Areas, to your area alone, or to a part of your area.

qathet Regional Hospital District: This is your tax for services provided by the Regional Hospital District (qRHD). The qRHD provides services to residents of the entire region (City of Powell River, Tla'amin Nation, and Electoral Areas).

Other Regional Services: Included in this brochure is a breakdown of taxation for the services provided only to parts of your Electoral Area either by assessed value or through a parcel tax. Services provided only to Savary Island and only to the mainland are shown separately.

Improvement District Services: You may receive services administered by an Improvement District and these will be identified on your property tax notice as a separate item. Improvement Districts are not part of the qRD system.
